WORLDWIDE COVERAGE FOR NON-U.S. CITIZENS AND U.S. EXPATRIATES

Becoming a citizen of the “global community” can be an exciting experience, yet one that can pose potential complications. Your health care while abroad should not be one of those concerns. GLOBAL DAILY INDEMNITYSM

Insuring your life and health reduces the burden of unforeseen financial liabilities due to an illness or accident. Unfortunately, obligations and bills continue even during a hospital stay. The Global Daily Indemnity plan is an excellent way to offset these expenses. Global Daily Indemnity will pay directly to you US\$100 for each required overnight stay in a hospital. The hospital stay must be eligible for coverage under your Global Medical Insurance plan. Hospital stays related to maternity are not eligible.

How To Apply

Global Term Life Insurance and Global Daily Indemnity are available with no additional medical underwriting. Simply complete and return the health and life portions of the application with the appropriate premiums as outlined in the application.

PREFERRED PROVIDER ORGANIZATION

You may seek treatment under Global Medical Insurance with the hospital or doctor of your choice. If you choose the worldwide option and you need to seek treatment in the U.S., you may use the independent Preferred Provider Organization (PPO), a separately-organized network of approximately 500,000 physicians and 4,700 privately owned and operated hospitals contracted by IMG.* This PPO network includes approximately 67% of all the hospitals in the U.S., including some of the most well-recognized university medical centers and transplant facilities.

Using this provider network could significantly reduce your out-of-pocket expenses. **Your deductible will be reduced by 50%, and any coinsurance applicable to that charge is waived, when eligible treatment is received from a network provider.** When a U.S. hospital outside the network is used, a co-payment of US\$250 is required in addition to the regular deductible and coinsurance. This co-payment is waived, however, if there is not a network provider within 50 miles of the location of treatment.

You may access the PPO directory by requesting that a copy be sent to you or you may visit the IMGGLOBAL[®] web site, www.imglobal.com. Network providers are listed by location and specialty.

**All PPO providers are contracted separately through First Health Group Corp.*

During a medical emergency, access to qualified treatment is an immediate concern. For these situations, Global Medical Insurance includes Emergency Medical Evacuation coverage up to the policy maximum. This coverage is available when there is not a qualified facility in the immediate area to treat your life threatening illness or injury. In addition, an Emergency Reunion lifetime benefit of US\$10,000 is available to cover the travel/lodging expenses of a relative or friend during an Emergency Medical Evacuation. Global Medical Insurance also covers expenses for repatriation of bodily remains or ashes to the insured's country of citizenship up to a maximum of US\$25,000 for death resulting from a covered injury or illness.

HOW THE EVACUATION PROCESS WORKS

Emergency Medical Evacuation benefits under the plan provide access to care when you or your family need it most. During the emergency, IMG will coordinate evacuation to a qualified facility equipped to handle your illness or injury. A team of independent pilots and medical professionals transport you and a family member, while arrangements for your arrival are being made with the receiving hospital. Once at the receiving hospital, IMG will continue to monitor your treatment and communicate with physicians and family members.

To be eligible, the evacuation must be recommended by the attending physician in life-threatening situations, and approved in advance and coordinated by IMG. IMG is available 24 hours a day, 7 days a week to arrange emergency medical evacuations.

IMG has around-the-clock medical staff available to approve, certify and coordinate medical evacuations.

Global Medical Insurance is available to individuals and families of all nationalities. U.S. citizens must reside abroad or plan to leave the U.S. on their effective date and plan to reside abroad for at least six of the next 12 months. Non-U.S. citizens may reside anywhere, including their country of citizenship, although certain eligibility restrictions may apply to non-U.S. citizens residing in the United States. Persons between the ages of 14 days and 74 years old may apply for coverage. Persons older than 74 years of age are not eligible. Certain other restrictions may also apply. Please ask your independent insurance agent or broker for further details.

Families applying for Global Medical Insurance will receive free coverage for the first two eligible dependent children between the ages of 14 days to 9 years when both parents are insured under the Global Medical Insurance plan. Children under the age of 19 applying individually should use the male 19-24 age bracket when applying for coverage. Each person requesting coverage must complete the information required in the application.

RENEWAL OF COVERAGE

Subject to the terms of the plan, Global Medical Insurance is annually renewable and coverage is continuous when renewed. Prior to the end of each period of coverage (12 months) you will receive a renewal form. You must continue to meet the eligibility requirements outlined above in order to renew. There are no additional medical questions at renewal. Please select your deductible carefully, as you will be unable to select a lower deductible when you renew your coverage. Note: If you have reached part of your deductible during the last 30 days of your certificate year, we will carry over that portion you have met of your deductible to the next certificate year.

LIFETIME COVERAGE

Lifetime medical coverage is available if you are enrolled in the Global Medical Insurance plan by your 65th birthday and maintain continuous coverage to age 75. Prior to your 75th birthday you will receive a summary of benefits of a new plan, Global Senior Plan®, and an enrollment form for coverage. There is no additional medical underwriting. You simply need to review the benefits, and complete and return the enrollment form with your premium.

INTERNATIONAL PROVIDER ACCESS

IMG provides an on-line International Provider Access database that can be used to locate health care providers outside the U.S. as needed. The database can be found at **www.imglobal.com**. (Note: Use of this service is subject to the terms and conditions specified on-line. These terms must be agreed to prior to using the service.)

PRE-EXISTING CONDITIONS

After coverage has been in effect for 24 continuous months, Global Medical Insurance provides a US\$50,000 lifetime benefit for eligible pre-existing conditions that existed at or prior to the effective date, subject to a maximum of US\$5,000 per period of coverage. This benefit is payable whether or not you have received consultation or treatment for the condition(s) during the 24-month period. This is important since few pre-existing conditions remain free from ongoing consultation or treatment, and often do not qualify for coverage in standard plans. Global Medical Insurance does not “rider” or charge additional premium for pre-existing conditions. If you properly disclose a pre-existing condition at the time of application, and are accepted into the plan, you will be covered for eligible medical expenses after 24 months of continuous coverage, subject to the foregoing limits and the other terms of the plan.*

The following illnesses which exist, manifest themselves or are treated or have treatment recommended prior to or during the first 180 days of coverage from the initial effective date are considered pre-existing conditions under the plan, and are subject to the waiting period and other limitations of coverage described above: asthma, allergies, tonsillectomy, back conditions, adenoidectomy, hemorrhoids or hemorrhoidectomy, disorders of the reproductive system, hysterectomy, hernia, gall stones or kidney stones, any condition of the breast, and any condition of the prostate.

OTHER EXCLUSIONS AND LIMITATIONS*

- Routine physical examinations-first 12 months

- Mental and nervous-first 12 months
- Organized amateur or professional sports

Prior to receiving treatment you may need to contact IMG to precertify your treatment and/or for verification of benefits. ***Precertification*** means calling IMG's Utilization Management and Review department to receive a determination of medical necessity for the proposed treatment or services. It is important to note that precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. Precertification may be undertaken by you, the doctor, a hospital administrator or a relative. The following treatments and services must be precertified or certain reductions in benefits may result :

- Any surgery or treatment requiring hospitalization ■ Outpatient surgery
- Within 48 hours after an emergency admission to the hospital
- Care in an extended care facility ■ Home nursing care ■ CAT scans, MRIs
- Durable medical equipment including artificial limbs ■ Transplants

Verification of benefits is the process of verifying your general coverage and the available benefits under the plan. You may do this by contacting IMG's Customer Care department whether or not your treatment or services require precertification. Verification of benefits is not a guarantee of payment or assurance of coverage, and all medical expenses must meet eligible payment guidelines in accordance with the terms and conditions of the plan. While precertification and verification of benefits are separate determinations, both are made in reliance on the completeness and accuracy of the information provided by you and your healthcare providers to IMG.

CLAIMS PROCEDURES

When you receive treatment, original itemized bills must be received by IMG within 90 days of services. As a courtesy, claims may be paid in selected alternate currencies by electronic bank wire. Please see the Claim Form for more information and conditions of this service.

CLAIM FILING ALTERNATIVES

DIRECT PAYMENT TO PROVIDERS- In many cases IMG works with the hospital or clinic as an accommodation, including those outside the independent PPO, for direct payment of eligible medical expenses on your behalf. To be eligible to have a claim paid in this fashion, you or the provider must complete a Claim Form and submit it with original itemized bills. In this case, you will be responsible for direct payment of your deductible, coinsurance amounts and non-eligible expenses and charges.

REIMBURSEMENT- If you have received treatment and need to be reimbursed for out-of-pocket medical expenses, complete the Claim Form and submit your original itemized bills and paid receipts within 90 days. We will reimburse your eligible medical expenses after applying the deductible and coinsurance, subject to the terms of the plan.

Please remember to submit your bills and receipts as soon as you receive them. Do not hold them until the end of the year. IMG will apply eligible medical expenses to your deductible and coinsurance throughout the year.

HOW TO APPLY

To apply for the Global Medical Insurance® plan, simply complete and return the family application for yourself, your spouse and dependents. If you are 19 years of age or older, you must complete your own application. You must complete all questions outlined in the application in order to be considered for coverage. An attending physician statement may be required depending upon your answers to the medical conditions, and IMG reserves the right to request additional medical information.

When we receive your completed application with premium, we will process it as quickly as possible. Once accepted, you or your agent/broker will be mailed a fulfillment kit which includes an identification card, declaration of insurance and a certificate of insurance (containing a complete description of benefits, exclusions and terms of the plan), claim filing information, and claim forms. You are required to notify IMG, as required by the terms of the plan, if you or any family member suffers or is treated for any illness, injury or other medical condition between the time of your application and the issuance of the certificate. If your application is not accepted, you will receive a full refund of premium. For additional information, please contact your independent insurance agent or broker.

Once you are accepted in the plan, we are confident that you will be pleased with the full terms of coverage. To ensure your satisfaction, we provide a 15 day period to review the fulfillment kit contents. If, during that 15 day period, you find that you are not happy with the plan for any reason, you may submit a written request for cancellation and full refund of your premium. See the Certificate of Insurance for full details.

Cancellation requests received after this 15 day period will be granted at the sole discretion of IMG as the plan administrator. Any refund you may receive will be based on an established refund schedule, not a pro-rated basis. See the Certificate of Insurance for full details.
